The **SM200 Series** rechargeable handle work lights deliver powerful, portable illumination wherever the job takes you. Available in two configurations — SM200 with 9 high-power White LEDs, and SM200A with 9 dual-color White + Amber LEDs. Both feature USB-C rechargeable batteries with 4LED display, achieving a full charge in 4 hours for up to 6 hours of continuous runtime.

Multiple lighting modes include super light, dark light, strobe, and SOS (Amber strobe/SOS on SM200A). The **IP66 waterproof** rating and sturdy die-cast aluminum housing with adjustable damper ensure reliable performance in any weather and angle. On/off and flash pattern selection at your fingertips. Operating temperature range from -30°C to +50°C makes it ideal for roadside assistance, workshops, camping, construction, emergency response, and heavy-duty applications.

SM200 Series Models (Dimensions: 120/108×240×78mm)

Model	LED	Color	Modes	Battery
SM200	9 LEDs	White	Super Light / Dark Light / Strobe / SOS	USB-C, 4hr/6hr
